

PHILOSOPHY

The intention of the Balfour’s list is to highlight styles of wine we believe suit our food best. With this in mind, aromatic whites and light reds are at the fore. We feel these balance, accentuate, and compliment the flavours of the menu.

It is unashamedly Australian centric, as we believe we do these styles well. Like our delicious Vietnamese cuisine there is a strong French influence with cameos from around the globe.

We serve our wines by the glass in 75ml (half) and 150ml (full) serves. Like the style of food, little tastes may be the way to go.

We also have some half bottles to let you explore a little more. At the other end, we believe magnum’s show commitment. They are also great for sharing.

Koko Coffee - Glossy Black Blend

Glossy Black Coffee is the in-house coffee at Spicers Retreats.

A unique blend developed for us by our friends at KoKo Coffee Roasters, Glossy Black is named after the Glossy Black Cockatoo, an endangered native parrot found on several properties that are home to our retreats.

Proceeds from bean sales go towards the continuing conservation work done by Spicers to protect the Glossy Black Cockatoo's Habitat. They can be found around all regional retreats!
