Koko Coffee – Glossy Black blend

The Glossy Black coffee is the in-house blend for all Spicers Retreats.

A unique blend developed for us by our friends at Koko coffee roasters, Glossy Black is named after the Glossy Black cockatoo, an endangered native parrot found on several properties that are home to our retreats.

Proceeds from bean sales go towards continuing conservation work done by Spicers to protect the Glossy Black cockatoo's habitat. They can be found around all regional retreats!

Chamellia Tea

We are proud to partner with Chamellia Tea – leaders in organic specialty tea in Australia. Chamellia is sourced directly from estates that are committed to sustainable & ethical trade practices.
